MAJOR GEORGE FORREST BINGHAM

1920 — 1952

*In whose memory a Memorial Fund has been established
by the Family.*

George Forest Bingham

December 1, 1920—December 1, 1952

George was born in Washington, D. C., December 1, 1920. He first came to Sanbornton during the summer of 1924 with his parents, two sisters, and one brother. In September, 1926, the Bingham family purchased the Torrey property at the Square where they were living when George enlisted in the Armed Forces. He received his formal education at Tilton School and Oberlin College.

Entering the military service in April, 1942, as an aviation cadet, he was commissioned 2nd Lieutenant and awarded the wings of a pilot on February 15, 1943, upon graduation from the Advanced Twin Engine School at Altus, Oklahoma. As 1st Pilot with a B-17 crew he was subsequently transferred to bases in England with assignment to 401st Bombardment Group (Heavy), 612th Bombardment Squadron, 8th Air Force.

On his first mission his crew received official credit for destroying a German fighter and damaging a second. They came out of the conflict with the controls of their B-17 shot away. George nursed the rudderless ship across the English Channel, evacuated his crew over England by parachute, and with his co-pilot landed the disabled aircraft safely under adverse conditions. For this mission the 401st Group received a Presidential Unit Citation and George received the distinguished Flying Cross. The Oak Leaf Cluster was added to the Presidential Citation for a mission on February 20, 1944.

After completing 32 missions he was returned to the United States in July, 1944, with a record of 25 completed over Germany and 7 to the largest targets in the occupied countries. Three crew members had been wounded, but none were killed, on these missions. George's personal awards included Presidential Citation (2); Distinguished Flying Cross (2); Air Medal (4); and E. T. O. Ribbon with two Battle Stars.

Continuing in the Air Force, George was assigned successive duties as student and instructor in instrument flying, weather forecast training, and finally as inspector of Air Force Weather Stations. He served for one year in Arctic flying from a base in Greenland. It was on one of his inspection trips while piloting a C-47 plane, December 1, 1952, from Tucson, Arizona, to Riverside, California, that he crashed with fatal results on a sheer face of Mount Gorgorio during a blinding storm of rain and snow. At the time of his death his promotion to the grade of Major was being processed and was scheduled for completion within a few days.

George is survived by his widow, Marietta L. Bingham, two sons, George F. Jr., and Harold D. and a daughter, Betty Gail.

Selectman

Selectmen's Summary and Recommendations

Roads—

Sanbornton has a large mileage of roads to maintain as the mileage of State Road crossing its borders is small in comparison with that of many towns. It also has many steep hills which cost much more to keep in repair. We feel the general condition of our highways is improving which is our objective with a minimum of cost to the taxpayer.

According to a vote at the last annual meeting the Selectmen purchased a truck. Out of nine requests for bids sent out with specifications, seven bids were returned, and the price for a Ford V-8 being the lowest, considering specifications, this was the truck selected. We also purchased a snow blade for the grader and a circle for another blade which replaced a part that was beyond repair. This added equipment, the amount of salt estimated as needed for the winter of 1954 and 1955 and the bills for summer and winter maintenance, oiling and the drainage project were all paid for with a small balance left, in spite of the \$1500 cut in the last Spring's appropriation for winter maintenance as per the Selectmen's recommendations.

The Selectmen recommend that the grader be painted and repairs made after check by expert grader man; also that a shed be constructed for housing this machine. We have looked into the attaching of a loader to the Olive tractor, but it is declared impractical by an expert, therefore the Selectmen recommend the purchase of a suitable tractor with loader and roadside mower.

The T.R.A. money was expended on the Woodman Road commencing at the Bay Meeting House and by using our grader and truck we were able to construct the road to near the Walter Woodman place in spite of the considerable expense for drainage. The Selectmen plan to continue the T.R.A. road to the Cox Corner and the balance on the road from Richardson's Corner to Cram's Corner.

Dump—

We have operated the dump successfully this year having it open for a longer period than last year.

On September 18, the Selectmen met the Sanbornton Bay Improvement Association at the Town Hall. Several

problems concerning the wishes of the camp owners were discussed and an understanding reached. We were gratified that they reported the conditions during smelting season of 1954 better than in previous seasons.

Smelting Problem—

After two conferences, March 4 and 17, with Director Carpenter of the Fish and Game Department, he stated that they had no money available for the smelt patrol, but he assured the Selectmen that he would publish a statement that he might cancel fishing licenses of any fisherman who acted in an unsportsman like manner in the area of smelting and further, if conditios required, might close the shore to fishing temporarily. He kept his promise and the effect on the behavior of the smelters was very favorable according to testimony of the smelt patrol also the campers.

Other—

The Selectmen have had the walls of the Selectmen's office smoothed and painted, and have started the improvement of the interior of the Town Hall. We recommend the continuation of this work, as a town may well be judged by the manner in which it cares for its public buildings.

According to law, 1954 was the year when the Selectmen were required to perambulate the town lines. This proved to be an interesting and enlightening task and somewhat strenuous, especially over the very top of Sanbornton Mountain to the very bank of the Pemigewasset River.

We call your attention to the financial report and ask that you notice the breakdown of officers' expenses.

Letters of appreciation for the Scholarship awarded them were received from Archie Auger and Paul Livernois.

Signed,

ELLWOOD V. BENNETT

HOWARD W. SANBORN

JOSEPH C. BODWELL

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE (Tentative)

To the Inhabitants of the Town of Sanbornton, in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in Sanbornton on Tuesday, the eighth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To raise such sums of money as may be necessary to defray the Town Charges for the ensuing year and make appropriations for the same.
3. To see what action the Town will take upon the Budget as recommended by the Budget Committee.
4. To see if the Town will vote to authorize the Selectmen to hire sums and amount of money as may be necessary to defray Town Charges in anticipation of Taxes.
5. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.
6. To see if the Town will vote to raise and appropriate the sum of two thousand five hundred dollars (\$2500) for the purpose of purchasing a tractor, shovel, and mower.
7. To see if the Town will vote to raise and appropriate the sum of thirteen thousand five hundred dollars (\$13,500) for the Maintenance of Highways and Bridges; six thousand dollars (\$6,000) for Summer Maintenance and seven thousand five hundred (\$7,500) for Winter Maintenance and equipment.
8. To see if the Town will vote to raise and appropriate the sum of four thousand dollars (\$4,000) for the purpose of oiling black top roads.
9. To see if the Town will vote to raise and appropriate the sum of one hundred seventy-five dollars (\$175) for General Highway expenses.

10. To see if the Town will vote to accept, raise, and appropriate the sum of nine hundred seventeen dollars and seventy-six cents (\$917.76) for Town Rural Aid-TRA. State share (\$6,118.37).
11. To see if the Town will vote to raise and appropriate the sum of six hundred dollars (\$600) for permanent improvement. (Culverts).
12. To see if the Town will vote to raise and appropriate the sum of four hundred seventy-eight dollars and sixty-two cents (\$478.62) for the purpose of making the final payment on the grader note.
13. To see if the Town will vote to raise and appropriate the sum of two hundred fifty dollars (\$250) for the Sanbornton Fire Department to be used for maintenance and equipment.
14. To see if the Town will raise and appropriate the sum of seven hundred dollars (\$700) to the Winnisquam Fire Department for the purpose of maintenance and operation of the Department.
15. To see if the Town will vote to raise and appropriate the sum of twenty-five dollars (\$25) for Memorial Day.
16. To see if the Town will vote to raise and appropriate the sum of fifty dollars (\$50) for Old Home Day.
17. To see if the Town will vote to raise and appropriate the sum of one hundred fifty dollars (\$150) for band concerts. (By request).
18. To see if the Town will vote to raise and appropriate the sum of six hundred sixty-five dollars (\$665) and made the same available for the use of the Library Trustees.
19. To see if the Town will vote to raise and appropriate the sum of one hundred dollars (\$100) for the Laco-nia Hospital.
20. To see if the Town will vote to raise and appropriate the sum of fifty dollars (\$50) for Franklin Hospital.
21. To see if the Town will vote to raise and appropriate the sum of one hundred fifty dollars (\$150) which is 1/100 of 1% of the assessed valuation of the Town to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town in cooperation with other towns of the Lakes Region.

22. To see if the Town will vote to install a street light at or near the corner of the Tower Hill and Hunkins Roads, & raise \$25 for same.
23. To see if the Town will vote to adopt a plan for extending to the employees of the town the benefits of title II of the Federal Social Security Act (Old Age and Survivor's Insurance) as authorized by Chapter 234 of the Laws of 1951 and to raise and appropriate the sum of one hundred thirty dollars (\$130) to defray the town's share of the cost thereof.
24. If the foregoing article is adopted, to see if the Town will vote to authorize the Selectmen to execute on behalf of the Town the necessary agreement with the State of New Hampshire to carry in to effect the plan and see if the Town will designate the Treasurer as the officer to be responsible for the administration of the plan.
25. To see if the Town will vote to establish a Planning Board of five (or seven) members with duties as set forth in Sections 1-15, Chapter 53, Revised Laws of New Hampshire 1942, as amended, to make a study of the Town's development and report to the Town appropriate recommendations for the promotion and maintenance of the Town's best development. The Board members shall consist of one Selectman and four (or six) other citizens appointed by the Selectmen, as provided in Sections 1-15, Chapter 53, Revised Laws of New Hampshire 1942 as Amended.
26. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and fifty-five.

ELLWOOD V. BENNETT,
HOWARD W. SANBORN,
JOSEPH C. BODWELL,
Selectmen of Sanbornton.

Report of the Fire Department

We are happy to report that due largely to the wet season Sanbornton escaped serious fires in 1954. However firemen have been active in building up the department.

By taking fifty dollars from our appropriation and adding it to the six hundred dollars raised by the town we were able to purchase a good used Army six wheel drive truck which can readily be converted into an excellent Forest Fire truck. A member of the department donated the standing lumber and the firemen, giving liberally of their time, went into the woods, cut the lumber, and erected the extension to the fire house. We expect to finish this building in the spring.

We are asking for a small appropriation to buy material to convert our new truck and purchase badly needed small equipment.

The Fire Department gratefully acknowledges all gifts received.

GEORGE S. CURRIER, *Chief*

Duty

March	Smelt Patrol
April	Investigation, break at Shute Hill, Smelt Patrol
May	Investigation Trespass on Clark Land
July	Fuller case, with State Police
August	Traffic duty, concerts, Old Home Day
September	Sally Knight Search Patrolling Roads, Hurricane
October	Patrolling Roads, Halloween
December	Investigation shooting near house, re- ported to Warden Twombly

During Smelting Season, refuse cans were set out. People were very co-operative so that the clean-up work was much easier. Police were on duty for all Test Air Raids.

On March 27th, a box party and dance were sponsored by the Department with the proceeds amounting to \$29.00, tickets were \$4.65, leaving a balance of \$24.35 in the hands of the Dept. Treasurer, Harry Morse.

We wish to thank those who helped make the Smelting Season work a little more pleasant.

Auditors, Town of Sanbornton

FOREST FIRE REPORT

Submitted by William H. Messeck, Jr., State Forester

Forest Fire Prevention is Everybody's Business

Carelessness is responsible for 97 percent of all our forest fires. This is a serious indictment of our interest in our welfare and that of our neighbors. In too many instances this carelessness results in the destruction, not of the careless one's own property, but of someone not even known to him.

Thoughtlessly thrown lighted cigars, cigarettes and matches from moving vehicles by hikers, hunters and fishermen; the careless burning of debris during hazardous periods, high winds or in dangerous locations; improperly extinguished camp or cook fires — all add up to the CARELESSNESS that means serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

It points to the need of eliminating CARELESSNESS so far as it concerns fire from our daily life. The rules are simple — your cooperation is earnestly solicited.

1. Be careful with fire in or near woodlands.
2. Be sure that all lighter material — cigars cigarettes and matches—is completely out before discarding it. Use ash trays in autos.
3. Secure the required written permission to burn from your local forest fire warden when the ground is not completely covered with snow.
4. Insist that others be careful and comply with burning requirements
5. Call the warden promptly when fire is detected and aid him to extinguish it.

Let's remember that FOREST FIRE PREVENTION is EVERYBODY'S BUSINESS and our MOST IMPORTANT undertaking!

1954 fire record for our town

Number of Fires	8
Acreage Burned	1¾
Number of Permits issued	80

Respectfully submitted,

THOS. J. KING
District Fire Chief

GEORGE S. CURRIER,
Forest Fire Warden

Report of the Sanbornton Public Library

For the Year Ending December 31, 1954

The total book circulation from the Sanbornton Public Library during 1954 was 4328. Of these 3927 were taken out by children and youth.

Seventy-seven new books have been added, 62 for children, of which 12 were gifts, and 15 for adults including 8 gift books, and one presented by the Women's Union of the Congregational Church in memory of Mrs. Alice Stone.

Mrs. Mildred L. Coombs and Mrs. Henry N. Andrews conducted a silver tea at the Library one afternoon last summer. Contributions at this tea were used for the purchase of books.

The Librarian entertained the first grade children of Central School one afternoon with a story hour and refreshments.

Miss Marjorie Stroud of the State Library Staff was at the Library one afternoon in May to meet the school children. She gave an interesting talk about the benefits and pleasures they would receive in making use of the Library. She had on display a collection of books to illustrate the wide range of reading material which is available to them.

We are grateful to Eleanor Morse for her continued excellent work as our Librarian, and to all others who by work, gifts or interest have made 1954 a good year.

We have had the cupola repaired and given two coats of paint. We hope that we may have an appropriation at the coming Town Meeting sufficient to complete the painting of the building.

Respectfully submitted,

ANNETE C. LARSON
GEORGE W. H. GILMAN
CLARIS H. BODWELL

Annual Report of the Superintendent of Schools

To the School Board and Citizens

of the Sanbornton School District:

I herewith submit my first annual report as your Superintendent of Schools:

Personnel Changes

Mrs. Marjorie D. Brazil of Laconia was elected to fill the Grade 7 and 8 position, replacing Mr. Steve J. Tassey, who resigned. Mrs. Brazil is a graduate of the University of Vermont Teacher Training Program and has had summer school work at Plymouth Teachers College, Plymouth, New Hampshire.

In November, Mrs. Joanne Katz was employed as a helping teacher to relieve the load on the crowded rooms. Mrs. Katz has had teaching experience in Virginia. She is teaching reading groups from the lower four grades. This program is doing a great deal to promote the reading abilities of the children in these rooms. With class enrollments over thirty, there is not enough time in the day for an elementary school teacher to satisfactorily accomplish the required teaching program.

School Budget

The expenditures for 1954-55 are expected to exceed the appropriation by approximately \$3,500. Deficits are expected in the items listed below:

Salaries	\$456.00
Fuel	100.00
Water, Light and Janitor Supplies	200.00
Transportation	442.00
Tuition	1,665.00
Retirement	61.52
New Equipment	447.80

These figures indicate that an additional room should be established in the lower grades. The second room will be occupied by the 7th and 8th grade now in the auditorium. A hard wood floor and baskets should be installed in the auditorium to accommodate a more extensive physical education program. The auditorium will undoubtedly be used as a classroom again by 1957 or 1958. If Sanbornton continues to grow, further expansion may be necessary by 1960. Two additional rooms will meet the need in Sanbornton for as far ahead as we can now predict from census figures and from the birth rate.

Other small balances and deficits account for the difference between this total and the \$3,500 listed above.

The budget for 1955-56 is \$52,245.31. This is approximately \$2,200 more than estimated expenditures for this year and \$5,700 more than was appropriated for 1954-55. The increase in expenditures for 1955-56 are due to increases in salaries, tuition rates and number of High School students. The tuition rates for next year are as follows:

Laconia	\$320
Tilton	320
Franklin	300

An analysis of the school census for 1954 indicates the following enrollment for 1955-56:

Grade	I	12	
	II	24	36
			—	
	III	19	
	IV	16	35
			—	
	V	14	
	VI	13	27
			—	
	VII	19	
	VIII	15	34
			—	—
				132

These figures indicate that we will be able to handle the expected enrollment for next year without any changes in our present organization. With the assistance of Mrs. Katz, we should be able to handle the expected load without any problems.

The Superintendent recommends that an architect be employed to prepare plans for a two-room addition to be occupied in September, 1956. The following are the estimated enrollments for September, 1956:

Grade	I	25	
	II	12	37
		—	
	III	24	
	IV	19	43
		—	
	V	16	
	VI	14	30
		—	
	VI	13	
	VIII	18	31
		—	—
			141

I wish to express my appreciation to the School Board, the school staff and the people of Sanbornton for my cordial reception as your Superintendent of Schools.

Respectfully submitted,

RICHARD A. MARTIN,

Superintendent of Schools

February 4th, 1955

SANBORNTON CENTRAL SCHOOL

Report of the Principal

Another year has passed and many changes have occurred during this period. Necessary adjustments have been temporarily made to care for our ever increasing enrollment. All available space has been utilized.

Our lunch program has continued to grow in popularity. As many as 129 pupils have been served at one time. New tables, dishes and silver have been purchased to meet this demand.

The World Accident Insurance Policy has again been made available to the students of the Central School. About 75% of the pupils carry individual insurance policies for accidents to and from school, at school, or in school athletics and activities.

Supervised basketball and softball have been popular sports.

Last May a very successful musical program was produced under the direction of Mrs. Beatrice Nordholm. Every student had a chance to participate in this production. Money realized from this has been used for special parties throughout the year.

A fine exhibit of school work was displayed at the Plymouth Fair. Each exhibit received a first prize.

We are all very grateful to the P.T.A. who has done much to make our playground such a fine place to play. Equipment suitable for all age groups has been installed. We also are very appreciative of the record players which help so much in the many activities.

I wish to take this opportunity to thank the members of the School Board, Superintendent, P.T.A., parents, and fellowworkers for their splendid cooperation throughout this year. With their help and understanding it has been a most pleasant year.

S. Katherine French, Principal

Report of the School Nurse

To the Members of the Sanbornton School Board:

On the shoulders of over thirty million children now attending school rests the future of the United States. Within a few short years they will be our teachers, factory workers, farmers, our professional and business men and women. They will also become the parents and homemakers of a new generation of children.

How well they will meet their new opportunities and responsibilities will be answered in the years ahead. As a means towards the realization of this great potential, our aim and duty as parents and educators is to insure the ways and means for helping these children to achieve the greatest possible degree of health, thus providing each of them with a foundation on which to build a happy and useful life.

Throughout the school systems of the United States, children have been given diphtheria toxoid for many years. The result has been that with such a large number of children protected, diphtheria has been practically wiped out. However, when parents become careless about having their children immunized, there has been a tendency for both diphtheria cases and deaths due to diphtheria to rise again. It is for this reason that toxoid clinics are held annually in our schools. This year toxoid clinics were held during the months of April, May, and June with eight children in attendance.

The importance of the Tuberculin Test in the program for the elimination of tuberculosis cannot be over-estimated. The percentage of positive reactors to the test is an indirect measure of the amount of undetected open tuberculosis in a community. At the same time, the presence of positive tuberculin test results helps to pin-point the individuals who comprise the group in which new active cases might develop. Thus the Tuberculin Test becomes one of the most effective factors in the overall control of tuberculosis in school children. On February 5, this test was given to ninety-nine pupils in the Sanbornton school.

Defective hearing constitutes a most severe handicap for the school child. The fact that the child may be quite unaware that he is not hearing all that the other children can

hear is an additional factor contributing to this handicap to school progress and adjustment. During the year 1954, 134 children received the Puretone Audiometer test, a sensitive instrument for detecting the presence of deafness or impaired hearing prior to the investigation of the cause and the institution of remedial measures.

The general objective of a school program for eye health is to protect and promote visual health in every way that lies within the scope of the function of the school. To this end the children in the Sanbornton school receive a yearly examination with the Massachusetts Vision Testing Instrument. During the past year (1954), 140 pupils were examined.

Every health program recognizes the importance of good nutrition in the safeguarding of health and the prevention of disease. It is edifying and encouraging to see how many children are receiving the benefit of a well balanced hot lunch in the Central School. During the past year the school nurse received the sum of \$50 from the Tilton Branch of the American Red Cross to be used for these hot lunches.

National reports are still revealing the fact that there is much to be desired relative to the dental health of our nation. It is an all too well-known fact that defects of the teeth and gums have a very serious effect on bodily health. For not only may they spread infections to other parts of the body, but diseased teeth and gums also may interfere with the child's appetite. Hence, the importance of establishing early in the child's life, the habit of regular visits to the dentist. During the past year, sixty-eight school children received complete dental care. In addition to dental inspection, the school nurse also administered medical inspection to 120 pupils.

The advances in the field of physiotherapy have verified the importance that it plays in the treatment of many physical defects which, if left untreated, may lead to serious handicaps. During the past year, two children attended the Orthopedic Clinic in Laconia.

A Polio Clinic for all children attending the second grade in Belknap County was held during the year in Tilton. While there were sixteen children in the second grade at that

time, four parents refused permission. One slip came back unsigned, and one child was receiving toxoid injections at the time. Thus, only nine of the children attended the clinic. These children received three injections.; the first two injections being given at one week intervals, and the third, four weeks later.

In submitting this report, I wish to express my sincere gratitude to all for their wholehearted cooperation during the past year.

Respectfully submitted,

MARION G. MOYNIHAN, R. N.

Pupils Completing Eighth Grade in June 1954

Thelma Brothy	Joanne Higgins
Philip Carey	Alan Laughy
John Collins	Mary Ann Skeats
Patricia Drake	Claude Strout

SCHOOL WARRANT

The State of New Hampshire

In the Inhabitants of the School District in the Town of Sanbornton qualified to vote in District affairs:

You are hereby notified to meet at the Sanbornton Central School on the 26th day of March, 1955 at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and for the payment of the statutory obligations of the district, as determined by the School Board in its annual report.
7. To see if the District will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting, and to make an appropriation to cover the expense of such audit.
8. To see if the District will vote to pay tuition to high schools in excess of the State Average.
9. To see if the District will vote to raise and appropriate the sum of approximately \$3,500 to cover the estimated deficiency for the school year 1954-55.
10. To see if the District will vote to raise and appropriate 2% of the total school budget for the purpose of a contingency fund.

11. To see if the School District will vote to adopt a plan for extending to employees of the School District the benefits of title II of the Federal Social Security Act (Old Age and Survivor's Insurance) as authorized by Chapter 234 of the Laws of 1951 and to raise and appropriate the sum of \$62.00 to defray the school district's share of the cost thereof.
12. If the foregoing article is adopted to see if the school district will authorize the School Board to execute on behalf of the school district the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the school district will designate the School District Treasurer as the officer to be responsible for the administration of the plan.
13. To see if the District will vote to raise and appropriate a sum of \$1,000 for the purpose of preparing preliminary plans for a two-room addition to the Central School.
14. To transact any other business which may legally come before said meeting.

Given under our hands at said Sanbornton this fourth day of February, 1955.

Real Estate Valuations as of April 1, 1954

Veterans' exemptions have not been deducted from the following figures. **VETERANS** — While it has been the custom for the Selectmen to enclose exemption blanks with Inventory blanks sent to Veterans, by Law Veterans should obtain their exemption blank by request from the Selectmen or Assessors. If you do not receive your exemption blank via mail with your Inventory blank, be sure and contact a Selectman for one and return it by April 15th. Do not wait until the tax bills are out and then asked for an exemption.
